

THE IRRESISTIBLE SEDUCTION OF PARADISE...

Discover Mother Earth's *special places*...the places we call Paradise. *Heavenly places* right here on earth which she has bestowed with her most extraordinary gifts.

And now, you CAN live in Paradise. In fact, you'll be surprised how really AFFORDABLE Paradise can be.

Dear Friend,

Imagine it's your first night in Paradise...

You take a stroll on the beach...glass in hand...filled with tasty, fresh mango punch.

The sun begins to set. You sit on the soft, sandy dune. And suddenly...you become...
mesmerized...by the glorious sight before your eyes...

The shocking-pink sunset...reflecting on the crystal-clear...ever-so-beautiful...jewel-
like...turquoise-blue sea. You are absolutely...*awestruck*.

This splendid sunset is ablaze in a sizzling iridescent hue...a color you've never known
the sun to be. You are irresistibly *lured* to it. And you simply can't turn away!

As your eyes drink in this majestic vision, your ears are filled with the hypnotic melody
of the ocean's sweet song...as the waves crash gently upon the shore.

YOU'LL FEEL SO ALIVE!

And for just a moment you can't believe your eyes and ears. Is this some beautiful
dream, you wonder? Have I died and gone to Heaven? No, you realize, it's *not* a

dream. It is *real*. And yes...you are alive—so *alive*—more alive than ever before!

Imagine your bare feet ...sinking into velvety-soft, sugar-white sand. It feels like silk on your skin. You gaze at the wide, marvelously expansive beach...so *lovely*. You see it's absolutely pristine...clean and white...so wonderfully *pure*.

And now you *fully* realize why this place—the one you are so lucky to be in—can only be described as *Paradise*. Mother Earth has reserved her most special gifts for these places *alone*. It's her special blessing on the incredible places we call...Paradise.

This *special* Paradise...this *affordable* Paradise is a place you may not have considered until now. It's a new undiscovered Paradise. And it's at the very beginning of its renaissance. It's your unique opportunity to get in “on the ground floor.” Your chance to stake your claim *ahead* of the coming boom. I guarantee, in ten years you won't recognize this place! You don't realize it, but, in the next few minutes you'll get all the information you need to discover this incredible, safe and peaceful land for yourself. But now, take just a moment to...

FEEL THE RAPTURE

You see...Mother Earth's Paradise isn't done with you yet. She has more senses to arouse in you...she's going to *touch* you. As you lift your head...you feel completely enveloped by the gentle, salty ocean breeze...so cool and refreshing...as she lovingly runs her sweet “fingers” through your hair.

And ooh!...there's Mother Earth's *scent* of Paradise in the air...*thick* with her perfume of lilac and gardenia. It seems to fill you up—so deep and full—deep within your very *soul*. And you feel...*intoxicated* by her!

Yes, dear Friend...

You are being *seduced*...and it's Paradise that beckons.

And you can't help but surrender yourself.
